Lab Note 6 - The BLE platform and Android Device proxy

The mbed project for the Nordic mKit BLE Platform Heart Rate Demo is at:
http://developer.mbed.org/teams/MBED_DEMOS/code/BLE_Police_HRM/

The corresponding Eclipse project for Android is at:
https://github.com/ansondtx20/PoliceHRM/blob/master/src/com/arm/sensinode/gateway/SensinodeService.java

Please review the file: SDW-AndroidToCloud-GettingStarted.pdf in the class materials for further information about setting up the example project.
